

LET'S KEEP IN TOUCH

Congratulations on completing your ARPA-E project and on becoming a member of the ARPA-E alumni community.

As you well know, ARPA-E is a unique Federal Agency because it brings together individuals from the scientific, engineering, and entrepreneurial communities to work collaboratively on transforming the energy landscape. In order to strengthen your own experience, those of future ARPA-E employees, and the ARPA-E community as a whole, we invite you to stay connected with us.

Here are a few ways you can stay in touch with ARPA-E:

SIGN UP FOR THE ARPA-E NEWSLETTER

For less frequent updates, subscribe to our newsletter for a monthly dose of additional content including new staff, Summit updates and project selection announcements.

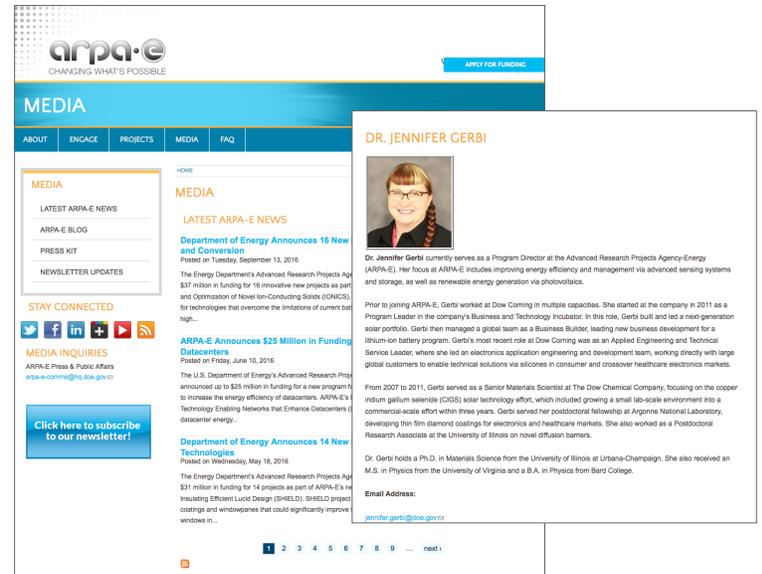

The collage shows various ARPA-E communications:

- Registration Now Open for 2017 ARPA-E Energy Innovation Summit**: A call to action for the annual event.
- ARPA-E Announces 16 New Projects**: A graphic highlighting the 'IONICS' project.
- ARPA-E Welcomes New Staff**: A post introducing Dr. Jiebin Zhang as a new Fellow.
- Upcoming ARPA-E Workshops**: A graphic for a 'WORKSHOP' on Novel Power Electronic Systems.
- ARPA-E Releases Sample of Project Outcomes**: A graphic showing various energy-related images.

E-MAIL US ABOUT WHAT YOU'RE DOING NOW

While we're excited to share with you what ARPA-E is doing, we're also eager to learn about how you're continuing to make an impact after ARPA-E. If you accept a new position, are working on a new technology, or start a business, we want to hear about it!

E-mail us at arpa-e-comms@Hq.Doe.Gov to share how you're continuing to change the energy landscape. We'd love to feature these updates and successes with the alumni community, in the ARPA-E newsletter, or in a [blog post](#).

The screenshot shows the ARPA-E website with the following sections:

- Media Section**: Includes links for 'LATEST ARPA-E NEWS', 'ARPA-E BLOG', 'PRESS KIT', and 'NEWSLETTER UPDATES'.
- Home Section**: Features 'LATEST ARPA-E NEWS' with a highlighted article: 'Department of Energy Announces 16 New and Conversion'.
- Staff Profile**: A profile for Dr. Jennifer Gerbi, Program Director at the Advanced Research Projects Agency-Energy (ARPA-E).
- Navigation**: A top navigation bar with 'ABOUT', 'ENGAGE', 'PROJECTS', 'MEDIA', and 'FAQ'.

FOLLOW US ON SOCIAL MEDIA

Follow ARPA-E on LinkedIn to learn about new job opportunities and share them with your professional network.

Also, make sure to follow us on Twitter and like us on Facebook for the latest news on ARPA-E performers, project selections, and Agency leadership.
